LOT 2197

An Art Deco chromium plated bathroom wall mirror, the bevelled glass above a shelf, height 80cm, width 77cm.

Estimate: £50 - £80

Condition Report

2197. the chromium plating has some minor surface oxidization, but is generally ok. The corner mounts have oxidized but it appears that the surface will clean off. The light holders are quite rusty and the light fittings are a bit faulty. A few minor knocks to the metal, on particular to the bottom right inside corner, but otherwise fairly good.
