

Single-Owner Collections / Thu, 29th November 2018 / Lot 4012

LOT 4012

A group of three Chinese export pottery models of fruit, late Qing dynasty, naturalistically modelled in the form of two peaches and a pomegranate, lengths 7.8cm, 10cm and 13cm (chip to petal of pomegranate).

Estimate: £200 - £400

Condition Report

4012. Peaches - both in good condition with no cracks, chips or restoration. Larger with a few minor firing cracks to the petals. The smaller with small firing crack to base.

Pomegranate - missing one petal, otherwise in good condition with no restoration.
