LOT 4029

A Chinese famille verte porcelain vase, Kangxi style but probably 19th century, the ovoid body painted with four flower-filled planters between lappet borders filled with lotus and scrolling tendrils, height 48cm (vertical hairline cracks to body).

Estimate: £400 - £600

Condition Report

4029. Approx 20cm long vertical hairline crack running from just above the footrim towards the middle of the vase and a similar alongside approx 26cm long. Both with some light staining along their length. Otherwise some slight discolouration and glaze blemishes overall probably due to misfiring. Minor wear and surface scratches to glaze and enamels. Good vibrant enamels. Lacking cover.
