

Single-Owner Collections / Thu, 29th November 2018 / Lot 4152

LOT 4152

A Chinese hardwood circular stand, late Qing dynasty, the apron carved and pierced with scrolling lotus tendrils, diameter 29cm, together with five other large carved wood stands (some faults).

Estimate: £80 - £120

Condition Report

4152. Lotus tendrils - some splits and losses to pierced apron, would benefit from a polish.

Pierced apron - diameter 28.5cm, minor splits and losses to side piercing, otherwise in generally good condition.

Lotus form - diameter 24cm, split to rim, minor chips, otherwise good.

Floral pierced panels - diameter 26cm, minor losses and chips to piercing.

Near pair with hollow centres - diameters 25.5cm approx, generally in good condition with minor scuffs and a bit dirty.
