

Single-Owner Collections / Thu, 29th November 2018 / Lot 4207

LOT 4207

A clear glass paperweight wig stand, early to mid-19th century, the spherical top internally decorated with five air bubbles supporting two polychrome horizontal canopies, raised on a centrally knopped stem with swirling colour and a conical circular foot, height 16cm (glued repair).

Estimate: £40 - £60

Condition Report

4207. Yellowed glue repair to top of stand where spherical section sits, otherwise typical wear to foot and light surface wear elsewhere.
