LOT 555

A platinum and diamond single stone ring, claw set with a cushion shaped diamond, detailed 'Platinum', ring size approx H.

Estimate: £2,500 - £3,500

Condition Report

555. The diamond is a nice white sparkly stone but it is slightly drawing colour. It looks to be fairly clear internally, but does have a few minor speck inclusions visible under x10 magnification. There are a few chips to the girdle of the diamond. The claws are in sound condition. There are a few surface marks to the ring mount. The diamond carat weight is approx 2.2ct. Weight 3.1g. Diamond dimensions approx 0.9cm diameter, depth approx 0.5cm.
