

Collectors' Items, Works of Art and Light Fittings / Friday, 30th November 2018 / Lot 2574

### LOT 2574

A late 19th century walnut cased Polyphon, playing 21cm discs, width 26cm, together with a group of discs.

Estimate: £50 - £80

---

### Condition Report

2574. The comb has all teeth present and the mechanism does rotate, however, the start/stop lever is not working properly, so it needs a nudge from underneath to start. Also the disc locating fitting is loose, so it is not possible at present to play a disc as the tightening screw is missing. The lid has a crack running across it.
