

Silver and Plate / Wed, 28th November 2018 / Lot 387

LOT 387

A French silver box and cover in the form of a peacock with detachable head, perched on a branch with tail feathers down, on a naturalistic base, height 18.5cm, together with a .925 silver model of a hummingbird, perched on a rose quartz base, total height 15.5cm.

Estimate: £150 - £250

Condition Report

387. Peacock - overall good condition, some slightly misshaping to tail feathers. No significant damage or repairs. Typical light surface wear to engraving.

Humming bird - good condition. The rose quartz base has a repaired/re-glued corner and typical light chips to edges.
