

Collectors' Items, Works of Art and Light Fittings / Friday, 30th November 2018 / Lot 2686

## LOT 2686

Two 19th century rhino horn walking stick handles of curved form, lengths 11cm, together with a late 19th century horn parasol handle, length 23cm. Note: as this lot incorporates rhinoceros horn, it would be very unlikely that a re-export certificate would be granted beyond the EU. Customers outside the EU are requested NOT to bid on this item.

Estimate: £100 - £200

---

## Condition Report

2686. One of the handles has a small chip to rear edge, but otherwise just slightly worn surfaces. The parasol handle has a small crack.
