LOT 2685

An early 18th century German brass and mahogany pistol handled gunpowder tester, signed 'F. Richter', modelled and engraved with an erotic scene of a naked devil and woman, length 23cm.

Estimate: £600 - £800

Condition Report

2685. While the handle is old it could possibly be a replacement and does have pins either side holding it to the metalware. It is also slightly spit in this area. The rest of the piece appears to be in fair condition with some minor surface rubbing, overall wear and some areas of slight pitting.
