LOT 201

A reverse painted circular intaglio stick pin, designed as a dog in a landscape, diameter 1.7cm, with a case, a Victorian gold topped and coral bead stick pin, mounted within a beaded and ropetwist wire border, with a case, and a base metal leather mounted novelty vesta box, designed as a lady's leg with a shoe, the lid interior detailed 'Deponirt', height 5.6cm.

Estimate: £70 - £100

Condition Report

201. Dog intaglio stick pin - intaglio in good condition with good vibrant colours. Few typical light surface scuffs/scratches to glass. Back has a slightly rough surface, possibly originally a button or similar with later added pin. Case in good order.

Coral stick pin - good condition, but a little bit dirty and dusty. No significant damage or repair. Case badly worn.

Boot vesta - some wear to metalwork and some wear and scuffs to leather. Spring hinge is good and otherwise generally good order.
