LOT 299

A gold and dyed green chalcedony ring in an abstract foliate design, detailed '585', ring size approx O1/2, together with a Cartier box.

Estimate: £50 - £70

Condition Report

299. There is variation of cut of the dyed green agates, some being rather crudely cut. There is some white adhesive deposit to the band which would benefit from careful professional cleaning. Note: the Cartier case is in association with the ring. Exterior scuffing to the case, in particular the lid. Weight 5.3g.
