Estimate: £50 - £80

Condition Report

317. 32cm strand of coral beads - overall generally good condition and well matched colour. Some minor pitting and slight discolouration to some beads and some with very minor chips. No significant damage or repairs.

70cm coral necklace - slight variation of colour, but generally well matched. Appear to be in generally good condition with only typical light surface wear and minor blemishes/pitting and discolouration.

51cm coral necklace - pale colour but relatively well matched. In generally good condition with only typical minor surface wear and minor blemishes.
