LOT 676

After Guido Reni - Portrait of Beatrice Cenci, late 19th/early 20th century oil on canvas, 31cm x 24cm, within a gilt composition frame.

Estimate: £40 - £60

Condition Report

676. Craquelure throughout resulting in numerous areas of paint flaking and loss. Some of the larger areas of loss have been a little crudely restored with filling and overpainting. Some mould to surface. Canvas a little slack on the stretcher and stretcher lines showing through on the left and right. Would benefit from a clean. Gilt frame has some sections of moulding lacking, repainted 'gilt' and with some subsequent loss.
