

Furniture / Friday, 28th December 2018 / Lot 931

## LOT 931

A George III mahogany oval swing frame mirror, the bowfront base fitted with three drawers, height 73cm, width 43cm.

Estimate: £30 - £50

---

## Condition Report

931. Replacement glass, lacking half the panel that covers the glass on the reverse. A small bump to one corner of base and generally quite clean and in fair order. Certainly made in the 19th century, rather than being an 18th century mirror. The upright supports appear to be later replacements.
