

Jewellery / Wed, 23rd January 2019 / Lot 550

LOT 550

A 14ct gold and moonstone oval hinged bangle, the front claw set with a row of nine oval moonstones graduating in size to the centre, otherwise with pierced decoration, detailed '14k', inside width 5.8cm, with a case.

Estimate: £1,400 - £1,600

Condition Report

550. There is slight variation of proportions of cabochon cut of the moonstones, one moonstone has three surface marks and another has one surface mark. There is a claw missing from the setting of one of the moonstones at the end, the next moonstone to this also has one claw not fully formed. Some other claws to further moonstones are not well achieved. Weight 24g.
