

Clocks and Barometers / Thu, 24th January 2019 / Lot 1177

LOT 1177

A late 19th/early 20th century French ormolu and white marble mantel timepiece, the drum cased movement with platform escapement, the circular enamel dial with black Arabic numerals and flower festoons, the drum case with ribbon tied torch and quiver surmount, raised on a cloud scroll support and white marble breakfront base, height 21cm.

Estimate: £80 - £120

Condition Report

1177. Good condition. No significant damage or repairs. Some applied mounts to base slightly loose but of no real consequence, just a little bit dusty.
