

Cameras and Scientific Instruments / Thu, 24th January 2019 / Lot 1204

### LOT 1204

A Leica R6 camera, No. 1762622, with Summicron-R 1:2/35 lens, with leather case, together with a Leica Elmarit-R 1:2.8/180 lens, a macro Elmarit-R 1:2.8/60 lens, an Elmarit-R 1:2.8/28 lens and a small group of accessories.

Estimate: £600 - £800

---

### Condition Report

1204. The camera appears to be in good working order as it fires and winds on smoothly. Camera body and Summicron lens both in good condition with no significant damage. Typical light surface scratches and wear. Elmarit-R 1:2.8/180 lens - similar condition as above but few scuffs to black enamelling and scratched initials 'WAM' to underside.

Elmarit-R 1:2.8/60 lens - good condition, small scratches, scuffs to black enamelling.

Elmarit-R 1:2.8/28 lens - good condition, scuffs to black enamel.

No manuals included in lot.
