## LOT 2122

A George III mahogany reading table, the hinged top raised on a turned column and sabre legs, height 67cm, width 46cm.

Estimate: £30 - £50

## Condition Report

The table could be a really nice piece with some work, however there has been a spliced repair halfway down one leg and a repair to the joint of another.

The top is currently loosely attached to the top.

The rear side of the top has had renewed sections of wood inserted around both hinges, and there are some minor areas of damage and loss to stringing around sides. The wood ledge that would have fitted to the top is not present.
