Condition Report

1065. The watch runs and adjusts as it should but please be aware we give no guarantees to working order or reliability of any clock or watch. Generally fairly good condition. Typical light surface scratches and wear to case and bracelet. Crown screws down tightly. Dial is fairly good with some slight degrading to luminous detail. Also when you look around the edge of dial there is some minor loss between 4 and 6 o'clock and between 10 and 11 o'clock.
