

Asian and Islamic Ceramics and Works of Art / Thu, 21st February 2019 / Lot 1060

## LOT 1060

A Chinese hardwood stand, late 19th/early 20th century, the circular top finely carved and pierced with a dragon and vapour roundel, the apron with pierced prunus panels and ruyi scrolls, on ruyi scroll feet, height 11.2cm, diameter 17.8cm (some faults).

Estimate: £150 - £250

## Condition Report

1060. Overall in good condition. Good quality carving and good colour. It is missing the circular stretcher which would have joined the inside legs. Couple of legs look like they have been re-glued at the joint, but only where the joint has become unstuck and not because of damage. Typical light surface scratches and minor chips/nicks.
