LOT 2150

An early 19th century mahogany console table with grey marble top, raised on scroll supports and shaped base, on paw feet, height 93cm, width 113cm, depth 47cm.

Estimate: £150 - £250

Condition Report

2150. Marble slightly scuffed and scratched. The frieze drawer has some areas of quite bubbly veneer, also small chunk out of corner of drawer and small replaced section of beading. Other small sections of loss to edges of veneer. One section of scroll missing on base of scroll support. Also the rear feet blocks are lacking small base sections meaning that the console table currently leans backwards.
