

Furniture / Friday, 22nd February 2019 / Lot 2151

LOT 2151

An Art Deco oak haberdashery cabinet by Dudley & Co Ltd, London, fitted with twenty glazed and solid front drawers, on a plinth base, height 194cm, width 87.5cm, depth 50cm (some later alterations and restoration).

Estimate: £800 - £1,200

Condition Report

2151. The handles look original and general condition is good. There are a few sections of veneer replaced to the drawer fronts and the sides have been later veneered in oak, also with a later made base. All this has been done well and is not really that noticeable. Each drawer comes out completely, but they do not have lids so cannot be used as boxes.
