

Jewellery / Wed, 20th February 2019 / Lot 565

LOT 565

An 18ct gold and cultured pearl bracelet, mounted with a row of cultured pearls between multi-link sides, one side mounted with a pendant cultured pearl fringe, on a snap clasp, length 19cm, interfitting with an 18ct gold ropetwist bracelet to form a collar necklace, total length 41cm, with a case.

Estimate: £2,800 - £3,400

Condition Report

565. The pearls to the drops have an attractive silvery lustre. The pearls to the chain have slight variation of colour. The item would benefit from careful professional cleaning. There is restoration to the ropetwist neckchain at both ends, one end looks particularly worn and is starting to break down and is soldered up in parts. Total weight 61.2g.
