LOT 2003

A Regency figured mahogany work table, in the manner of Gillows, the hinged top revealing a compartmentalized interior, fitted with a basket slide raised on a turned, reeded and tulip cusp column terminating in four scroll sabre legs, height 84cm, width 54cm, depth 48cm.

Estimate: £150 - £250

Condition Report

2003. Top has some slightly uneven crossbanding and a small chip to front right corner, also small section of veneer missing to right edge. Small chip to veneer on front left edge of frieze. Material on basket is in need of replacing, as it has been replaced by leatherette. A few small chips to the edges of the interior and wear to some of the fittings. The sliding basket is quite stiff to open but otherwise condition is generally good.
