## LOT 2047

A Regency rosewood rectangular wine table with boxwood stringing, raised on a turned column and tripod sabre legs with brass paw feet and castors, height 71cm, width 45cm, depth 35.5cm (alterations).

Estimate: £40 - £60

---

## Condition Report

2047. the underside of the top clearly shows the lack of the original tip-top mechanism and a later disc holding the stem to the top. The base is probably original to the top, but has certainly had a change to its surface with an addition of its dark staining.
