

Prints and Maps / Wed, 20th February 2019 / Lot 100

## LOT 100

Edward Stanford (publisher) - 'Stanford's Map of India based on the Surveys executed by Order of the Honourable The East India Company', lithograph with near period hand-colouring in two sheets of 36 sections, folding and backed onto linen, published circa 1857, overall 166cm x 128cm, within a cardboard case with original paper label.

Estimate: £400 - £600

---

## Condition Report

100. Both maps in generally good clean condition. Very minor light spotting or age toning, mostly to linen backing. A few minor splatters of watercolour from the hand-colouring process. Case a little bumped to extremities, faded and quite soiled.
