

British and Continental Ceramics and Glass / Thursday, 21st March 2019 / Lot 1443

LOT 1443

Three Joost, Thoof & Labouchere (Royal Delft) circular wall chargers, early 20th century, one painted with a horse and cart within a countryside scene and two with courting couples, each within a foliate border, each signed and with impressed and painted marks to base, diameter 39cm.

Estimate: £100 - £200

Condition Report

1443. Dish with girl holding musical instrument has some light crazing, other two dishes heavily crazed. In addition, landscape dish has a small glaze chip and associated circumference rim hairline at 11 o'clock. Otherwise all in good order with no scratches.
