Condition Report

1044. Please be aware we give no guarantees to working order or reliability of any clock or watch.

Timex Electric - runs sporadically for 9-10 seconds and stops, so not currently working.

Seiko Quartz Chronograph - currently running and buttons responsive. Good clean condition.

Seiko Quartz Sports 100 - not working at all, possibly just battery.

We have two Seiko bracelets, but one is missing pins and the other part of the end attachment.

Neptune - currently running, but date does not adjust.

Timex - winds smoothly, but does not run.
