

Clocks and Barometers / Thursday, 21st March 2019 / Lot 1148

LOT 1148

A Jaeger-LeCoultre Atmos mantel timepiece with perpetual gilt brass movement, detailed '406617', the signed square white chapter ring with gilt Arabic numerals and hour batons, the gilt brass and glazed case with canted corners, on a plinth base and bracket feet, height 23.2cm, together with a brass bracket.

Estimate: £150 - £250

Condition Report

1148. It only runs for a couple of hours or so but does not maintain power consistently. Glass front panel has a couple of chips to bottom corners. Otherwise case in generally good order with typical light surface wear and a bit dusty, so would benefit from a clean. No paperwork or box.
