LOT 554

An early 20th century rose cut diamond and seed pearl pendant cross, mounted with a central row of seed pearls bordered by rose cut diamonds, length 4cm, with a neckchain.

Estimate: £180 - £220

Condition Report

554. Pendant cross – is of good quality, however it is extremely dirty and would benefit from careful professional cleaning. It is currently almost impossible to examine the diamonds to establish any detail of quality. Neckchain – looks to be marked 'A74' and appears to be silver but there are no marks to confirm this, the neckchain is in association with the cross.
