

LOT 4156

22nd March 2019

Studio Pottery / Friday, 22nd March 2019 / Lot 4156

## LOT 4156

A David Leach studio pottery stoneware circular Willow charger, decorated with a wax-resist tenmoku tree against a dolomite glaze within a tenmoku rim, seal mark to base, diameter 37cm (firing faults).

Estimate: £40 - £60

---

## Condition Report

4156. No post production damage or restoration, however it has some fairly major firing faults, including a large curved crack running around the footrim and body, as well as another firing crack around the rim.
