## LOT 2592

An Art Deco gilt spelter figural table lamp in the form of a lady holding a glass globe aloft, raised on a white onyx base, height 49cm.

Estimate: £150 - £250

## Condition Report

2592. The lamp appears to be of the period, at the worst it may be just out of period but looks 1930s. The figure has a few minor surface scratches and marks, including a small one to the back of one leg, side of other leg and a surface scratch on the globe support. There are a few minor scuffs to the plinth but otherwise in good order. The lamp is fitted with a bayonet bulb fitting but would need to be rewired.
