

Jewellery / Wednesday, 17th April 2019 / Lot 647

LOT 647

A four row necklace of graduated fresh water cultured pearls on a gold, ruby, emerald and sapphire rectangular clasp, detailed '750 18K', length of clasp 2.5cm, total length 35.5cm.

Estimate: £100 - £150

Condition Report

647. The coloured gemstones are generally of medium colour saturation and there is slight colour variation to the rubies. The emeralds have a few internal inclusions. Some of the gemstones have surface reaching inclusions. The pearls are not individually knotted and restringing as a matter of precaution would be recommended.
