LOT 660

A diamond and carbuncle garnet ring, mounted with two drop shaped carbuncle garnets, otherwise set with circular cut diamonds in an openwork Georgian inspired design, ring size approx Q.

Estimate: £80 - £120

Condition Report

660. The ring is a reproduction of an earlier style. The carbuncle garnets have one or two internal inclusions. The diamonds are modern circular cut. Shank would seem to be original but has been altered in size. The ring is in overall good condition. Weight 3.4g.
