LOT 2073

A mid-Victorian mahogany extending dining table with four extra leaves, the moulded top raised on turned and baluster legs, height 81cm, overall length 270cm, depth 118cm.

Estimate: £200 - £300

Condition Report

2073. General condition and appearance is good, however when the table is open further than the width of two extra leaves it tends to sag, so the runners would need some attention. There have been some repairs and restoration to fixings and surface of top but otherwise ok.
