

Silver and Plate / Wednesday, 17th April 2019 / Lot 385

LOT 385

A late 19th century Indian white metal bottle and stopper, the bulbous body with narrow neck, densely decorated with a foliate design, unmarked, height 28cm (cover lacking finial).

Estimate: £150 - £250

Condition Report

385. Two dents to the underside/side of low bellied body and missing finial. Otherwise appears to be in good condition. Decoration is nice and crisp. Weight 569.6g.
