LOT 2411

A 19th century hazelnut needlework nécessaire, the hinged body enclosing a brass-lined fitted interior, length 2.5cm, together with a small group of collectors' items, including two seals.

Estimate: £50 - £80

Condition Report

2411. Hazelnut nécessaire - the top half of the nut has two small cracks to the rear edge. The central mount is not very closely fitted to the edge of the nut and the clip is defective, so it does not shut properly. Some typical wear to the interior lining.
