

Collectors' Items, Works of Art and Light Fittings / Friday, 24th May 2019 / Lot 2540

LOT 2540

Ferdinand Preiss - a near pair of Art Deco carved ivory full-length figures, one modelled as a young boy holding an apple, the other as a young girl holding a gilt metal chain, both bases inscribed 'F. Preiss', raised on flared octagonal green onyx bases, height 15cm.

Estimate: £800 - £1,200

Condition Report

2540. The boy figure has a very fine hairline crack to the rear side of the base. The onyx has a few minor chips to the bottom edges of the corners.

The girl figure is in good condition with both having a general light surface wear.
