LOT 2051

A late 19th/early 20th century Swedish white painted and gilt metal mounted settee, height 98cm, width 139cm, depth 55cm, and a pair of matching side chairs, height 91cm, width 44cm.

Estimate: £150 - £200

Condition Report

2051. The settee has generally quite loose joints and some overall scuffs and marks. The pair of chairs are missing some of their brass mounts and also are quite scuffed. The painted surface is a later applied gloss paint.
