

Furniture / Friday, 24th May 2019 / Lot 2006

### LOT 2006

An Edwardian Howard & Sons 'Bridgewater' armchair, the scroll back and arms upholstered in calico, raised on turned walnut legs, one rear leg stamped 'Howard & Sons Ltd, Berners St. 11675 7998', height 90cm, width 89cm, depth 110cm (replaced castors).

Estimate: £500 - £800

---

### Condition Report

2006. The frame appears to be in good general condition. The seat cushion has been covered in a fairly recent fabric and the rest of the chair is in calico. Overall scuffs and marks to the legs, one leg with a small chip to side. Clearly the castors are later replacements.
