

Collectors' Items, Works of Art and Light Fittings / Friday, 24th May 2019 / Lot 2572

### LOT 2572

An early 20th century 'Invicta' Paul Cavour plated alto saxophone, serial number '7030', cased (faults).

Estimate: £30 - £50

---

### Condition Report

2572. Overall condition is poor with most keys not operating, either jammed or springs not working. Most keys have lost their finger plates, which appear to have been picked out. No obvious major dents or damage but overall very worn and dirty. In a neglected state. The mouthpiece does not have any maker's mark or number on it.
