LOT 48

William Lionel Wyllie - 'HMS Chester', late 19th/early 20th century monochrome etching with drypoint, signed in pencil recto, titled label verso, sheet size 21cm x 29cm, within an ebonized frame.

Estimate: £40 - £60

Condition Report

48. Generally in good condition. Some foxing, but only to margin which could be hidden easily with a window mount. Some detritus trapped between glass and paper, but it is difficult to establish if this has caused any staining. Minor undulations to paper. Frame with considerable scuffing to extremities and some touching up with black paint. Unexamined out of frame.
