LOT 2118

An unusual Victorian figured mahogany hanging glazed wall cabinet, the domed top above an arched door enclosing two shelves, the tapering apron with a brass reeded drop finial, height 84cm, width 30.5cm.

Estimate: £60 - £90

Condition Report

2118. Generally good order with a small crack to the veneer across the lower section of the tapering apron. The brass finial is a later replacement and the interior shelves and lining are later fitted but otherwise in a nice condition.
