LOT 600

A platinum and diamond single stone ring, claw set with a circular cut diamond, detailed 'Plat', ring size approx N, diamond weight approx 3.00ct, with a case.

Estimate: £3,000 - £5,000

Condition Report

600. Colour: approx L-M.

Clarity: approx SI2.

Carat approx 3.00cts.

The diamond slightly draws colour, but looks to be a clear stone. The claws to the shoulders have been restored in the past but otherwise the ring mount is in good condition. The ring would benefit from careful professional cleaning. Suggested age - 1950s. Weight 4.4g.
