

Jewellery / Wednesday, 19th June 2019 / Lot 660

LOT 660

A single row necklace of twenty-one various sized cylindrical vari-coloured mottled opaque butterscotch coloured amber beads, spaced with twenty-one smaller amber beads, gross weight approx 66g, total length approx 80cm, length of largest cylindrical bead 2cm, length of smallest cylindrical bead 1.5cm.

Estimate: £100 - £150

Condition Report

660. There is attractive variation of colour and inclusions to the principal beads. There are some surface reaching inclusions and one or two of the beads have chips and cracks. Some of the smaller beads are fairly damaged.
