## LOT 2603

A mid-Victorian gilt cast brass table oil lamp, the cut glass reservoir above a foliate stem and hexagonal base, the underside marked 'Smith', height 58cm.

Estimate: £70 - £100

---

## Condition Report

2603. There is a small dent to the rim of the winding mechanism. The glass reservoir is probably later associated and has been drilled to the base. The stem and main body of the lamp is in fair condition with some minor surface wear.
