

Collectors' Items, Works of Art and Light Fittings / Friday, 21st June 2019 / Lot 2599

LOT 2599

A 19th century leather sand bucket bearing the Royal Coat of Arms and fitted with a leather strap handle, height 28cm, together with a similar shot bucket, height 35cm.

Estimate: £100 - £150

Condition Report

2599. Sand bucket - overall surface cracks to the leather body and overall typical wear. The two leather tabs that hold the handle on are later replacements.

Shot bucket - possibly later handle, but still with some age and also a later varnished surface.
