LOT 2020

A William IV mahogany open bookcase, the gallery top above an open shelf, an adjustable shelf and a cupboard, on brass castors, height 131cm, with 99cm, depth 38cm (alterations).

Estimate: £400 - £600

Condition Report

2020. General appearance is ok, with some overall minor scratches, scuffs and bumps. However, it would have originally had a pair of doors enclosing the shelves, which have been taken off and the holes filled at some stage. There are a few small cracks across the panelled lower pilasters.
