

Collectors' Items, Works of Art and Light Fittings / Friday, 21st June 2019 / Lot 2594

### LOT 2594

A 19th century cast gilt bronze three light candelabrum, the foliate scrolling branches supported by an ostrich stem, standing on an encrusted rocky base, the underside marked 'Abbott', height 48cm.

Estimate: £50 - £80

---

### Condition Report

2594. The sconces and nozzles appear to be original. However, the piece has been converted to electricity and has two drilled holes to the base and fittings to the sconces. Otherwise condition is fairly good.
